

PRESIDENT'S COMMUNITY EXCELLENCE AWARD

“Honoring those who make Jasper a great place to live.”

The President's Community Excellence Award is presented annually to an individual who has contributed generously of his or her time, talents or resources toward improving the Jasper community.

This award is open to all walks of life and honors those who give what they can, in order to “make a difference.” Because the works and public service of these people are sometimes known to only a few, your nomination will help *to recognize the work of those who give so generously of themselves.*

This award will be presented by the Chamber Board President at the Annual Meeting on Friday, October 7, 2022.
